EXECUTIVE INTERNSHIP APPLICATION

The STATE Executive Internship Project is an opportunity to gain hands-on work experience in a busy law office, learning from and working with attorneys, social workers, investigators, as well as other high school students who participate in other STATE projects. Most of our interns receive an hourly wage or stipend from an outside source or receive school credit. For more info, contact Emily at egold@ndsny.org or at 212-876-5500.

Program Interns will:

- Learn about their legal rights and the criminal justice system
- Assist with the development and implementation of other STATE projects, such as our After-School and Summer Projects and the presentation of workshops in local schools and community centers
- Learn about the practice of law in a dynamic public defense law office
